Vaner er en repeterende, ofte automatisk, form for atferd.

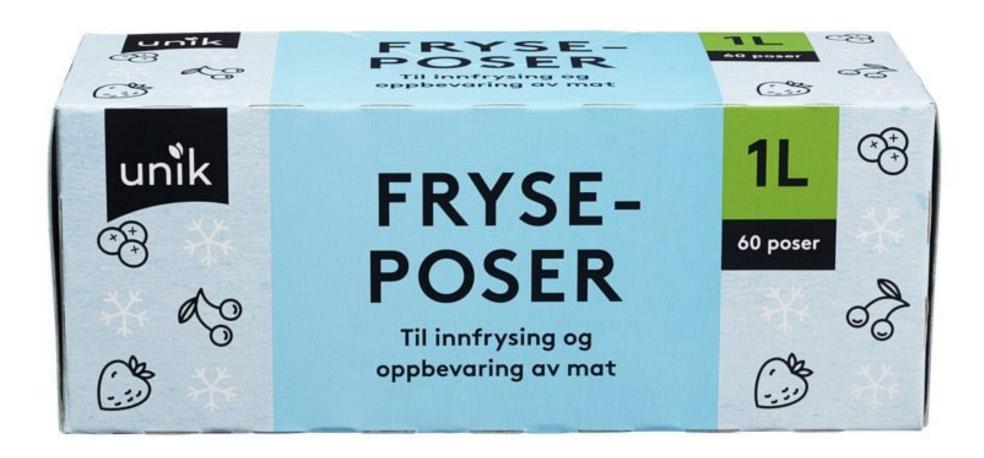

Det betyr at du kan løse samme problem hver dag uten spesielt høy innsats.

Og det betyr at du gjentar de samme dårlige valgene hver dag

Alarmerende klimarapport

PARIS IKKE NOK: Eiffeltårnet med budskap om 100 prosent fornybar under klimatoppmøtet i 2015. Tiltakene som ble lovet er ikke nok til å begrense temperaturstigningen. Foto: Thibault Camus / TT / NTB Scanpix.

Faren for en katastrofal global oppvarming er overhengende og det haster med å gjennomføre store kutt i klimagassutslippene. Våre handlinger de neste ti årene vil avgjøre livsgrunnlaget for de neste generasjoner.

Stay clear of this hotel was the worst experience ever. Very poorly managed extremely disappointed: (Was a nightmare from very beginning as they double booked our room and continually lied to us about the booking. Our friends came all the way from England and were very disappointed as their booking was wrong also.....will stay clear of this hotel and advise everyone else to!!!!

Stayed February 2014, travelled as a couple
