TEACHING & SUPERVISION

TEACHING & SUPERVISION – FORMAL TRAINING

NHH – Basic pedagogical training (2019)

NHH – Teaching portfolio (2020)

TEACHING & SUPERVISION – EXPERIENCE

NHH – STR 404 Strategic Analysis – course responsible (2021)

NHH – NBD 407 Business Model Innovation - course responsible (2021)

NHH – INB 422 International Strategy (CEMS Course) – guest lecturer and project supervisor (2017, 2018)

NHH – ELE 430 Business Model Innovation for Entrepreneurs - guest lecturer (2019)

Main teaching methods: Introducing theory alongside practical examples (many from own experience). Extensive use of discussions and group/team assigned problem solving (cases) to improve learning and build skills.

TEACHING & SUPERVISION – EXPERIENCE PRE NHH-PERIOD

As a consultant, and later as a director at Sbanken, I continuously focused on developing knowledge and skills among my clients and employees. Frequently this was done in lecture form, but most often it involved supervision of groups or single persons over a period of time.
