Fill out, sign and return the form to <u>exams@nhh.no</u>. Your original result will not be available until you have received an answer to the complaint.

You may appeal individually on a group exam. If several members of your group choose to file a complaint together, you need complete and deliver one form per each candidate.

The result of an appeal may be an unchanged grade, but it may also result in a higher or lower grade.

The new examiners will not have access to the original grade or other information about your answer paper. They will have access to the evaluation guidelines.
