### Nordic Workshop on Tax Policy and Public Economics

Helsinki, 21-22 November 2013

The next Nordic workshop on Tax Policy and Public Economics will take place at the Helsinki Center for Economic Research, HECER, 21-22 November, 2013. The purpose of the workshop is to bring together Nordic researchers working on both theoretical and empirical public economics to present and discuss their recent work. The workshop will most likely consist of approximately 12 contributed papers. In addition, Professor Claus Kreiner (University of Copenhagen) will give a keynote lecture at the workshop.

Persons interested in presenting a paper in the workshop are invited to submit their paper by 1 August by email to Essi Eerola ([essi.eerola@vatt.fi](mailto:essi.eerola@vatt.fi)). PhD students and young researchers are especially encouraged to submit papers. The decision on acceptance will be communicated by 15 September. The organisers can cover the travel and accommodation costs for paper presenters.

Looking forward to receiving your submission and seeing you in Helsinki!
