

CALL FOR PAPERS

Workshop on Empirical Analysis of Tax Compliance

Oslo, 31 May – 01 June 2018

KEYNOTE SPEAKER

Claus Thustrup Kreiner, Professor of Economics and Head of the Economic Policy Research Unit (EPRU) at the University of Copenhagen

TOPICS OF INTEREST

This workshop seeks to bring together researchers who study tax avoidance and evasion, and the role governments can play in enhancing tax compliance. The emphasis will be on empirical analyses that build on administrative data and other novel data sources to study the behavior of individuals, households, firms and how this behavior is affected by public policies.
