

FGV EBAPE –Double Degree programme structure

Year 1 at NHH		Year 2 at FGV	
Two semesters		Four terms	
Choose any major at NHH .		Choose FGV track : - General Management or - Sustainability Management in Emergent Markets .	
6 major courses 45 ECTS 2 electives 15 ECTS	You complete your major at NHH, including the mandatory courses. One ERS course must be included in either your major or elective courses.	Courses 30 ECTS Master thesis 30/40 ECTS	FGV awards 40 ECTS for the thesis, while NHH transfers the thesis from FGV as 30 ECTS. You only submit your thesis to FGV.
NHH Year 1: Choose courses from the list below that can be transferred as FGV mandatory courses.		FGV Year 2: Complete 5 of the 6 mandatory courses through a combination of transferred NHH courses and courses taken at FGV. See below for recommended course planning.	
TOTAL ECTS 60		TOTAL ECTS 60-70	
NHH Master in Economics and Business Administration		FGV Master in Management (MiM)	

Recommended course planning

FGV requires **5 of the 6 mandatory courses** listed below. You should combine courses taken at NHH and FGV to meet this requirement with as many courses as possible.

To reduce your workload during the final semester/term at FGV, we especially recommend taking NHH equivalents for at least **two of the three mandatory courses offered only in the spring semester at FGV**:

- Financial Accounting and Analysis
- Strategic HR Management
- Operations and Supply Chain Management

This allows you to focus on your master's thesis during your final semester at FGV.
