

WELCOME TO NHH

Congratulations on your admission to NHH, and a very warm welcome.

As an NHH student you will enjoy an active academic environment with top class researchers and lecturers. The student environment at NHH is characterised by enthusiasm, academic engagement and social community. As a student at NHH you will find a large offer of activities with close proximity to nature, mountain and ocean, as well as a rich and diverse cultural life in Bergen. You will be able to participate in a range of activities organized by the student union at NHH, and other student activities in Bergen.

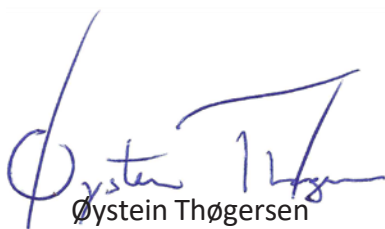

At NHH we are proud that our academically strong students have high ambitions and a strong motivation for learning both inside and outside the classroom. We are very happy that you have chosen us! NHH will give you relevant theoretical and analytical competence, providing you with a solid platform for future education and work regardless of the direction you choose.

Sustainability and technological understanding are key issues for NHH, mirrored in all parts of our study programmes. Irrespective of what the future brings, our goal is to offer a relevant study programme which will prepare you in the best possible way for what follows.

The admission's office is here to help you throughout the summer, so don't hesitate to reach out if you have questions: admission@nhh.no

We look forward to seeing you in August! Best
