

BERGEN ECONOMICS OF ENERGY AND ENVIRONMENT RESEARCH CONFERENCE

Invitation and call for presentations

NHH, Bergen, 13 -14 May 2013

On behalf of the Norwegian Association for Energy Economics (NAEE) and the Energy and Environment Group at NHH, we are pleased to invite master students to participate to the Bergen Economics of Energy and Environment Research Conference 2013 (BEEER 2013) at the Norwegian School of Economics.

BEEER 2013's main aim is to provide a venue for scholars and researchers from Nordic countries to present their research and exchange ideas within the area of energy, environment and climate change.

A panel discussion for a wider audience in the afternoon of the first day has the preliminary title: *Will Europe maintain its climate policy commitments?*

PRACTICAL INFORMATION

Registration deadline: **Friday 3 May** (no participation fee)

Submission deadline for abstracts: **Sunday 31 March**. Participants will be notified by **Friday 19th April** whether their thesis has been selected for presentation. Funding to cover travel expenses may be available on request.

Registration and submission of abstracts to:
beeer-conference@nhh.no

Conference website: <http://www.nhh.no/beeer>

BEST MASTER THESIS AWARD

For the first time, our wish is to associate master students to present their (finished or ongoing) master thesis during a 'best master thesis award' session. If you want to participate in this session, send a 1-page abstract of your thesis, highlighting the research question, the methodology and the (expected) results. Four abstracts will be selected for presentation during the conference and the winners will be rewarded with monetary prizes.

Limited space available! Priority will be given to those that have submitted an abstract.

We look forward to receiving your abstract for BEEER 2013!

Kind regards,

BEEER Conference Committee
