+

Master's in Economics and Business Administration
120 ECTS

* While you have only one Master's thesis to write, it will count for 20 ects in your LSM Master's degree and 30 ects in your NHH Master's degree.

A Year at NHH

Students have to choose a minimum of 45 ECTS of courses from a NHH Specialisation and 15 ECTS of elective courses.

For the list of the courses and the specialisations' offer, please visit the [NHH website](#).

A Year at LSM

At LSM, each semester is divided into 2 parts of 6-week intensive courses

Part 2 of each semester is dedicated to your Major Courses. There are a lot of majors available in the Master in Business Engineering (Innovation Management, Financial Engineering, Supply Chain Management, International Finance, Corporate Sustainable Management, Marketing Strategy for Connected Brands, Consumer Insight,...). For the complete list of the majors and details about the courses, please visit the [LSM website](#) (click on Options and then Majors).
